

Seekonk Speedway Trailer race

Tow some fun around Seekonk

August 4th 2018

This race is held with teams using one vehicle hooked to a trailer and another used as the defender. As teams circle the track the object will be for the trailers to complete a selected number of laps still hooked up to the tow vehicle. The defender on each team is used to knock the opponent's trailers loose and defend their own team.

Vehicles eligible for use must follow the same rules as Enduro/Figure 8 cars.
Full size trucks cannot be used as defenders.

Trailers:

Minimum length - 16' maximum - 24'. Measurement is from tongue to trailing edge of trailer. One or Two axles permitted.

Trailers must be some type of camper, NO boats or open trailers. Interior of trailers must be cleaned out and all appliances, sinks, toilets, cabinets, bedding removed. Any glass must be removed. No propane tanks. No hay or other type of bulky flammable material may be added to display.

Jack posts must swivel to horizontal position or be removed.

Each trailer will be judged for its starting spot. The more excitement each trailer brings to the fans, helps the teams earn their starting spots up front. Create a theme that makes your team a winner.

Trailer must finish attached to vehicle and have one axle still in place
Trailer hitch VERY IMPORTANT standard type hitches 2" minimum ball size
Double Safety Chains are MANDTORY
